

**g&s foods**

honey & fruit drying specialists

## **Shelf-life studies**

G & S Foods Ltd recommends a Best Before Date of 3 years to the following products:

- Honey Powder
- Honey Lozenges
- Honey Crystals

G & S Foods Ltd has conducted different shelf life study (accelerated shelf life and real-time shelf life) to validate a shelf life for these products.

This Best Before Date is only relevant in good storage conditions:

Temperatures below 25°C and unopened packaging.

Stored out of direct sunlight.

This applies to transport, warehousing and retail display.

The product is supplied in a stable condition ex-factory – Canvastown - New Zealand. G & S Foods accepts no liability after this point.
